A truly beautiful Life Tribute of precious memories. From the moment the photo appeared with Colt in his father's lap, the tears continued to flow. Tears of heartache, knowing the devastation of losing a child myself. Tears of joy for all the treasured memories these photos will bring to you. You will be in my thoughts and prayers. God bless you.

“ Colt was an enormous blessing to me and taught me so many things about life and love. With his sister Nikki, the truly unconditional love she had for him will always be in my heart. Watch over us Colt and always remind us that beauty and love comes deeply from the inside no matter what's happening on the outside. I'll miss our cuddles! PJ
