“ Lot of good memories with Connie. What comes to mind most is Aydenn's love for her. He loved Connie always wanting to go see her. And she loved him too. The last time he and I went to see MarySue and Connie, Connie was telling us something and she said shit. Aydenn looked right at her and said "now Connie you know you are not suppose to say words like that in front of me, cause I will say them and get in trouble." She laughed so much about that. She was always happy and never acted like she felt bad. Always friendly and easy to talk to. I considered Connie a good friend and always will. I will miss her dearly. My thoughts and prayers for MarySue and the whole family.
