“ *My condolences to Craig's family and friends. I got to know and love Craig who shared a room with my dad, Bobby, at Briarcliff. I always enjoyed visiting with Craig. He was so fun and loving. I even knew the order to place his phone, TV remote, water, and Kleenex. He was my Daddy's listening ears and would call for help when Daddy couldn't. I really appreciated that. I'm sure Daddy was delighted to be reunited with his friend and roomie in Heaven. Fly high my friend! Thanks for the joy you brought to our lives! Hugs and prayers for the Snyder family.*
