“ It is with great sadness to hear of my longtime friend and co workers passing. I was so happy to see how upbeat he was after his heart surgery. But that’s the norm for him. I believe the good lord likes a chase and Dale never failed to do. Just that. But when it’s your time he ask no one. Our blessings are great. We were blessed with having him for our friend and co worker. So many laughs over the years. No shortage of practical jokes or agitation from him. Prayers for his journey and his family
