“ My wife and I were so glad to meet Mr. and Mrs. Griffith about 8 or 9 years ago when we were building our new house. We discovered Mr. Griffith's swings he made and sold when we were in Carthage visiting family, and so we decorated our front porch with two of his swings he was so proud of, and he made another one for our back yard. They have given us uncountable numbers of hours of pleasure and family and friends gatherings, and we've always had special fond memories of Mr. and Mrs. Griffith since we met them and got Mr. Griffith to build our swings.##imported-begin##Robert Bouchard, Jr.##imported-end##

My Dad really enjoyed spending time with Mr. Griffith, visiting him on Saturdays and building the swings, picnic tables and other things. He will be missed so much.
