“ Family,

I was saddened to read of Mr. Atkerson's passing, while I did not personally know him, I attended Beckville Public Schools in the 60's and mid 70's, I fondly remember both Marnita and Danny, they were both fine individuals, a true statement to their upbringing, a reflection of their father's character.

The days ahead will be difficult for you BUT he is still with you in your memories, you only need to reflect upon those memories to remember that he'll always be by your side and help get you through any crisis, keep the faith!

Our hearts are with each of you at this time.

I am so honored to call you my Dad. You are a member of this country's Greatest Generation. They don't come like you any more. Our relationship as father and daughter is a very special one and I can still hear you telling me - "Daddy loves you." I will carry those words with me throughout all eternity.
