“ Sending love and prayers to all of the Patton family. I'm so sorry for your loss. No words can truly express or be the right things to say or make anything better during such sadness. Just know that you have people that care and that are thinking of you as you go through the most difficult days of your lives. Praying for strength and peace in these days to come. God Bless You, RIP MY FRIEND!!!!

“ I passed a tombstone in Ireland one time that read, "Death leaves a heartache no one can heal, love leaves a memory no one can steal."

One can only pray that all the memories you created outweigh the sorrow. Godspeed Daniel!

“ I loved having Daniel as a student of mine and adore his sister Emilee. When Daniel was in my freshman class, he was always so polite and respectful. There wasn't a day I didn't receive a hug from this young man. My heart and prayers go out to his family, and may he find peace with the Lord. I am here for any of his family and friends if they need a shoulder, or just to talk about how wonderful he was. My heart is sad.
