“ *Danny Miller was one of kind! Not a day went by that you didn't get that smile or some corny joke at Ransom Drilling from him. Sometimes even in his "anger" he had a smile! How he loved the old country singers! Especially Merle Haggard.*

Rest in peace.

“ *Absolutely ... The funniest person that I have had the privilege ... to know ,love ,laugh, cry , talk ,cuss and discuss... life's big things ,little things ... and sweet thaanngggs ! LOL Sounds " Just the way Danny would say it " . That nut would start a conversation and right in the middle of the point that one was trying to make , be it his or hers or yours .. He would wink at you , smile , and cock his head to the side and go to singing the conversation ..all the while laughing and playing his "air "guitar with show-stopper ..blow the roof off of this Mother -style ! Heaven better hold on !*

*The Dangerous Danny Miller Show is about to start ... and It's non stop, WFO ! Forever !
I love you ! Brother .. See Ya ! in a Flash .*
