“ I wish brother-in-law we had gotten to spend more time together. We never got to hunt or fish together, but I know we both shared a love of those things. I so wish we had picked up the guitars together for some quality time.

That never happened either. I know you enjoyed your golf & that's great. I just never got into pasture pool. Anyway I want you to know that I have & will love, honor & cherish your little sis as you watch over her now as her guardian angel. I so wish you were still here, but thankful that your suffering is over.

And Danny Joe you will ALWAYS be in each of our hearts. I am so proud to have known you & your whole family. What a Blessing you all have been to me. Your Maw is such a SPECIAL KIND OF LADY & PAW & YOUR BROTHER & SISTERS. I CARRY LOVE FOR THEM ALL.

I didn't know Tommy or your Dad, but Jeanette has told me many many stories about them & you & her growing up.

How you would watch over her & so now even I know & she does you will continue to watch over her. We all LOVE YOU & miss You so very much. Rest in Peace Danny Joe.

You have fought the good fight. You have finished the race. You have kept the faith.

Greatful for the time we got to spend together.

“ *I had the privilege of working with Danny Joe for many years while he was employed with Fluor Daniels and I with Texas Utilities. Spent many nights in the Control Room talking and it was surely evident he had a passion for life, his family and was a hard working man. He will be greatly missed this side of heaven. Prayers for the family.*
