“ I have known Danny since we were in junior high school, and he was still the same sweet, funny, outgoing guy the last time I saw him. He was a wonderful guy with a huge heart and a caring spirit. This world will not be the same without him here. My heart goes out to his family. May God help them through this valley, and may they remember Danny with lots of smiles and laughter, as he would most certainly want. I can hear him in my ear as I type this....laughing, teasing, saying, "Make it good now Kim!" It was a pleasure to know Danny and to call him a friend. Sending love....
