“ Betty no words could ever take away the pain of loosing your beautiful little girl but I wanted to express my greatest sympathy for your loss, i know how close you both were and she will be greatly missed. Although she has left 3 of the greatest gifts on this earth her very own legacys (her beautiful children) try to put all your time into continuing to be a huge part of their lives they will need a womans touch (especially grandmas) to help them through this difficult time in their lives as well, to hug,love and comfort them.
if i can be of any help to you please let me know, even if its to go eat somewhere i really miss you at work. praying for comfort, understanding and for Gods hands to hold you during your grief.

Love you,

“ Right now it feels like we're in a bad dream - that we are going to wake up at any moment and you will be back again. I miss you so much and I am so thankful for the time I did get to spend with you. Benjamin would have loved his Memaw - but rest assured that he will know what a wonderful woman she was.

Love always,

Katie Hall
