“ My fondest memory of my cousin Darrell is when me and my sister lived with Aunt Judy after graduating High School.

Darrell wasn't in school yet, but proceeded to ride his tricycle 2 blocks over from where he lived. All the neighbors were frantically out looking for him as we were. It's was a out a hour later he rides up and couldn't understand why everyone was so upset! Love you Darrell, your cousin ChaCha!

My father has known him for many years, and he spent time with him after he moved to Carthage. I wish we could attend the funeral, but my father isn't able to get there, and my husband may be working. We will miss him very much. Our sincere condolences and best wishes for the family.*

“ We are so sorry to hear about Darrell's death. Our thoughts and prayers are with you. There are so many memories of Darrell and Scott during their childhood and on into their teens. Their dinner was usually at which home had the food they liked best. Days were spent on the go cart, bicycles, playing games, and in the woods. Then there was the time Bryan took them to the deer lease. While there, Bryan was cutting some trees down Scott did not hear the warning and one fell on him. Darrell, was some how able to pick the tree up off of Scott. Darrell was a big part of Shelly's and Jeff's life as well. He was almost like another brother. We know that great smile will be missed by all and we are thankful for all the great memories. God be with you.

“ I am so sorry to hear this news! It saddens my heart to know an old friend has passed. I just watched that video clip a friend was putting together for our 30th class reunion next year and Darrell was in it. I chuckled as I remembered a graduation trip to Panama City, Florida...when he was allowed to drive "the guys" in his own vehicle and us mad girls had to ride with "the mom" and he taunted us all the way to Florida! lol Of course we all had a blast once there!

May the lord wrap his comforting arms around this family.

“ Darrell was my older brother's best friend when we were children and he became my friend too. From hanging out in our tree house, riding bikes, and watching tv, to growing up and riding in his car and being foolish, he always kept us laughing. Darrell was daring, silly, clever, and always surprising. He was a big part of my childhood and another "brother". I have many fond memories of him and I'm terribly sorry that he passed so young. My prayers to his family and his sweet sister Kim (my former babysitter).
