“ *I first met Dave when I signed up for CPR lessons at our clubhouse. Then I met Frances and became fast friends. I went to their home every Monday to play samba. A few times David had to become a substitute with us women. He fit right in. Loved his laughter and oh yes that accent was like honey. Will miss this beautiful man. ❤️❤️*

“ I met David while walking my dogs and he was outside with his little dog, Chloe. He insisted I go inside and get his wife, Frances, out of the house. From our very first hello, we were best friends. I used to tease Dave about his accent. He'd tell my pups to “see-it”, they'd look at him quizzically not knowing that he was telling them to sit! He loved going to the North Jetty in Venice, Florida, and Sanibel. Fun times!! We were like brother and sisters, as he used to tell me. He never met a stranger in our community in Florida and was loved by all. David, you will be missed by so many people you touched. Love you, my friend, my brother.

“ We were neighbors of Dave's in Florida. We became fast friends and enjoyed getting together to play Samba, meet up at the pool and enjoy a meal together. We celebrated our anniversary with Dave & Francis in Key West and had such a wonderful time. Dave helped our community as a member of our safety team and served on our executive board. He was a great, caring guy and will be sorely missed. Prayers to Frances and his family. Rest in peace 🙏

“ David and I worked together for many years. He was one of the most dependable and hard working guy I've ever known. Loved his sense of humor and care for people. He will surely be missed but I know he's not suffering now. Condolences to his family and may God provide peace and comfort in this time.
