“ RIP David Boggs. Faithful friend. I only knew David about 43 years, but he has been a major part of our lives, as he and my husband Don were best friends. Don and David talked on the phone several times a day, starting at 5 a.m. When we visited Carthage, we saw him.

There is a hole in our lives. But we have great memories of the big-hearted man with an easy smile and an infectious laugh. Godspeed my friend !!

“ David was one of those special individuals that everyone liked. He was a loyal friend and you always knew he would be there if you needed him. I remember our card games at the deer lease every year and just sitting around talking and laughing. David had such an easy going demeanor. I will miss David, along with all his many friends, but he will continue to bring a smile to our faces every time we think of him.
