“ David was one of my favorite cousins. Unfortunately I live so far away that it has been many years since I saw him in person. Fortunately, I got to talk to him on the phone about 3 months ago. All my love to his family and my cousins.

I remember David, Donnie and Matt from the late '60's, early '70's when they worked part of my Uncle James Burgess' Dairy Farm/Land etc. They were polite , respectful, very hard workers! They impressed my Grandmother Mellie Burgess as they would always wave or stop by to check on her and visit with her a moment! She always enjoyed seeing them! I'm sure that they won't remember me, but they are a fine family! So sorry to read of David's passing, our sympathies to all! May he Rest in Peace!
