David was such a sweetheart. When I was lucky enough to see him out somewhere, he would make me feel like there was no one he had rather see. I always got a big hug from him, and we shared some fond memories. Our family sends our deepest sympathy to all of you. We can only imagine what you are going through. You will remain in our prayers. 🙏

“ David was always cutting up and being silly in class. We were classmates from kindergarten til we graduated high school in 1994. I am going to miss my "Quincey". My heart goes out to Mr. Joe & Mrs. Sherie Mims and family. It's really hard to believe he's really gone. They say the lord takes the good ones first. I just believe that if he was in any kind of pain he doesn't have to hurt anymore. Luv ya David I will miss you my Friend.

“ My heart is broken as I say goodbye to my dear friend David. We've been friends since high school, and looking back, my mind is filled with so many memories, laughs, and moments that only a lifelong friendship can create. Those memories will forever be a part of who I am.

David had the kindest heart. He was gentle, loving, and always made you feel cared for just by being himself. I just spoke with him a few days ago, which makes this loss feel so unreal. It's hard to accept that we won't have another conversation in this lifetime.

While my heart aches, I choose to celebrate the beautiful soul he was and the joy he brought into so many lives. The world is better because David was in it, and heaven is brighter now that he's there. God must have needed him more than we did here on earth.

Fly high, my dear friend. Thank you for the friendship, the memories, and the love. You will be deeply missed and forever remembered. 💙
