“ I had the pleasure of working with Mike for several years. I looked up to him like an Uncle. He always asked about my wife and daughter. I'm truly blessed with the time we were able to spend together.

“ I shared my childhood with Michael and all his family (his mom and mine were best of friends). We were part of the Vance Heights crew! I'm with you, Philip Cunningham. I believe he graduated with us from Logansport. Loved him dearly. Prayers for his family!

“ I was very saddened at the loss of Michael. He and I attended school in Logansport, LA first grade through twelve, so he was a part of my life for 12 years. I wonder if Bienville High School is a misprint. I enjoyed his confident, happy, outgoing and competitive spirit.
