“ I will always remember Sean as that "little" boy with his floaties on at Crystal Lake--when the water was barely to his ankles. His mama had told him to not take those floaties off! I think he even wore them in the car. Barbara, please know you and your family are in my prayers during the difficult time. May God wrap his loving arms around you and bring you peace and comfort.

“ *Barbara, my heart is broken for you and the others who loved Sean. I remember that sweet little smiling face when he and Greg played together in those early years. I remember being proud as he became an accomplished young man, as you were. We've shared so much, my dear friend, and I now share your grief. May you be granted comfort and peace at this time.*

“ So glad we got to spend time together at Clint's birthday party 3 weeks ago. You came up to me with that sweet smiling face and gave me such a big hug. I stepped back and asked 'Who are you'? When you said Sean you got another big hug. Such a sweet, gentle soul. Barbara, I can not even imagine what you are going through. My thoughts and prayers are with you!

“ Since we were little kid's Sean and I were great friends - even more like brothers. We grew up together! After we grew up we were roommates for several years. He was the Best Man at my wedding! He was a Great Man, Friend, Brother, Son, and Father! Most of all, he claimed a strong relationship with Jesus and didn't mind sharing. Now it's our job to keep a relationship with Jesus so we can meet Sean one day in Heaven!
