“ *I only got to spend a few years with you as my soul mate, but honey, you made them the best years. I know I will never know another love like yours my Angel. You rest now, you had a rough life here on this cruel earth. Before I go, I have so many memories, one of my favorites is you bobbing your head at other cars with your hat turned sideways. You did love to make people laugh. You will forever be My Lovey*
