“ I started writing this post several times looking for the right words. I have nothing but good memories of us all at the lake. I know that these last few weeks have been hard but your strength as a family and your friends will always be there for you. I love you.

“ Mrs. Jones was like a Mother to me. Always treated me like her own. Never once did I see her turn anyone away from her door or her table. Always smiling.....
whatever the circumstance...had a positive outlook on any situation.
To all her children
and grands: .I know you will miss her as I will and many others. She would want you all to be happy and keep the family together. I love you all. God Bless Sonya Hayles Nutt
