“ I remember when my family went on vacation to visit my Aunt Delores and family, we always looked forward to going to her house. We had a lot of fun, it was at this visits that we were introduce to biscuit donuts, what a snipe was and a trip out on a barge for fishing and cooking fish right on the barge, and I remember one time she took us to see a real haunted house, scared me a lot. We always had a lot of fun when we visited with her and the family. So many wonderful memories. My condolences to the family, your in my prayers and love you.
