“ We pray for peace and comfort for Diane's family through this time of loss. I remember the bicycle rides through our neighborhood as kids, we always had a lot to talk about, those were the good ole days! I also enjoyed her as a classmate, and was so happy when she moved back to Carthage and opened her flower shop. I know her reunion in heaven was beautiful, she will be missed, but not forgotten.

“ *My deepest sympathy to Diane’s family. She was such a talented, sweet person. I had the pleasure to work with her on several occasions and there was no harder worker than Diane. Her love of family was unconditional. It breaks my heart that she has gone too soon but I know that she is rejoicing with her mom and son. Rest In Peace Diane!*

“ Oh my Wonderful Diane, You will be missed. May God give peace and love to your family and help them through this difficult time. Ted used to call Diane when she had the flower shop and kidd around with her and then say send a just because flower to my wife. I would get the flowers and then stop by the shop to pay her and usually buy something else. She would tell me all about her conversation with Ted. She will be missed tremendously. Love to her whole family. Maudie Leach

“ My deepest sympathy & heartfelt condolences to Diane's family and friends.....Diane was such a precious wonderful friend to me these past "17" years, my heart is broken. My wife and I were blessed with the opportunity to meet Diane and her sweet Amanda in person in 2015, when we were traveling in Texas.

Diane got me through some pretty dark days when I lost my wife in January 2019.....her thoughtful words of encouragement came at a time when I needed it the most, in my life. I will always be grateful for her sweet friendship.....she will always have a special place in my heart.
