“ You are so very loved and we will miss you beyond measure! To know you are at peace and in the presence of the Lord, surrounded by PawPaw, MeMe, and Rodney covers us in comfort during this difficult time. You have seen the face of God, as you took the hand of Jesus. You walked, through those Heavenly Gates with a whole and completely healed body, filled with perfect health in every way. The beautifully, wonderfully, healed health we each so desired for you. Here on earth our hearts are heavy, but the trumpets are sounding and Heaven is rejoicing that you are home, safe in the arms of God!

My friend, my Sister in law, and Sister in Christ!

“ As I write this I weep for my sister. I weep for her pain and the things she went through. For looking at her outward smile, but not her inner pain. I weep to wonder what I may could have done to aid her or comprehend how much she was afraid. I weep for seeing what I really wanted to never really dreaming that she would never smile again.

Dianna was blessed with loving parents and children whom cared for, sheltered and demonstrated what unconditional love really means. I pray for their healing and will always have high respect for how they took care of their mother.

Our lives have all been better because Dianna has been there. I've learned that goodbyes will always hurt, pictures will never replace having been there, memories good and bad will bring tears, and words can never replace feelings.

“ Sincere condolences to the family. I am so very sorry for your loss. May God provide the necessary peace and comfort to your family and friends during this difficult time. Please remember these words of encouragement from the Bible: “ Jesus plainly told her: “I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life.” —John 11:20-25.
