“ Uncle Don, Thank you for everything you showed me....all the times you took us to get good barbecue and then ice cream at DQ. It seems like a simple thing, but it never was to us because you were so generous, such a great host, and you knew what good bbq was, and where to find it. Thanks for all the things you showed me about the country where you grew up, and the amazing lives you, your family and people such as your cousins who lived on the Texas/LA border lived. You put up with me as a teenager in your home while I attended Panola College from age 17-18, and any man willing to take that on is a saint! You were always fair, slow to speak, and yet direct when you did. I am late in posting this, but you've been on my mind, and the day you went to your rest, I felt very sad. Something had shifted in my world. Enjoy your well-deserved rest until we meet again. Love always, your niece, Amanda##imported-begin##Amanda Hyatt Burge##imported-end##

“ To the family of Don,

Your Dad was like a brother to me, he always called me Dolly like Selma did. He's been on my mind and in my prayers all week. For four years I saw him almost every day. He would give me money on Selma's b/day and Christmas to get her something. If we had a Dr's appt., he would want to go too so he could buy lunch for all of us. He always treated me with love and respect and I'll never forget his kindness to me. I pray that the Lord comfort all of you and just know he's so happy now, he can hear well and he with all those that have gone before him, but most of all he's with his Lord. Love all of you###imported-begin###Brenda (Dolly) Kramer###imported-end###
