“ Dear Donna, Gaye, and Butch,
Dot was one of our favorite people to be know and we always enjoyed being with her. She had such a sweet spirit and wonder smile and laugh. She was an important part of our lives and we miss her already.

You may not know; however, we live in Tyler now and the change in the weather this week kept us from traveling to the service. For that we are very sorry and grieved we could not say our last good bye. We know she is with her beloved James whom she missed so much.

God bless each of you and your families. We hope to see y'all in April.

Love to all,
Gloria and Robert Barton

“*Dot Seegers was one of my best friends in high school. Always outgoing, friendly and bright. I was privileged to know the entire Seegers Family. Ted and I were best friends and stayed in touch until shortly before his death. Dot and I last talked when Bertis died. Bertis was also one of my best friends. Thanks to Mr. Buck, the father, I worked 3 summers as a roustabout for R. Lacy and earned money for my college expenses at Centenary. The entire Seegers Family treated me as though I was family. The Seegers were one of the finest families in Panola County. Thanks to their generosity I was able to have a wonderful way of life and provide a good living for my own family later on. Dot I will always remember those blue eyes and fantastic smile. May God hold you in the arms of His eternal love and look over your survivors. Grace, Peace and Love. Joe Ben La Grone*

I knew Dot for years but when she retired and joined the Carthage Service League I really appreciated her work ethic, her sense of fairness and honesty. She was a joy to work with and a good friend. We miss her.
