“ Dorothea, I remember when you and Lynn first met and y'all gave me a ride from Deadwood to Centenary. On the way, Lynn stopped and bought a large catfish that you, he and your family would have for supper. Through the years you became accustomed to our set of La Grone's and we grew to love and embrace you. D. and Zona, my parents, thought the world of you and Lynn. Harvard, Alice, Lynn, Kenneth and Garth were an extension of our family. We played baseball, picked cotton, tomatoes and were always in awe of Aunt Maggie, her strength and faith. You became one of us and gave us 3 more La Grones whom we cherished and still do. May the Peace, Grace and Mercy of God be with you and your children and may thy uphold the traditions that you and Lynn imparted to them. I will miss you cuz. Love, Joe Ben La Grone
