“ Oh Miss Elaine,there is so many memories of you when I was growing up ! One was the burning matchs to make crosses in Bible school. And being out side eatting cookies and drinking koolaid under the big tree by the church. And how you would smile when we was learning how to sing and fo the motions to Father Abraham, you will be truly miss in Logan, Miss Elaine I can only imagine your face when you met the Lord. You will always be apart of my childhood.

“ *So many beautiful memories of being at Aunt Elaine and Uncle Huey's house when I was knee-high to a grasshopper. Warm hugs to start, hospitality like none other, great home cooking, singing and prayers, games, Easter egg hunts, vacation bible school - a love-filled home that left an indelible imprint on my life. Those memories have smoothed over some of the splinters that cropped up in later years and gave me a well of reflection to cast my gaze when love crumbled around me. Her life with Uncle Huey left a legacy of love for many and their devotion to the Lord was the foundation upon which it was built. My deepest sympathies to all her mourn her (their) loss, and yet my heart is full to imagine her Home at last.*

“ *Remembering the wiener roasts and C.A. get togethers at her house. Even 50 years later KK and I would be made welcomed at Huey and Elaine's house. I would tell Elaine not to get up and cook breakfast that we could eat a bowl of cereal before we left but the smell of homemade biscuits would wake us up the next morning. Loved her so much.*
