“ *So sorry I'm not there. You all know that he held a special place in my heart. He's back with the woman he loved. He was always so sad after Mrs Barber died. Just to think of them together again makes me smile. You never seen one without the other. He was a good man.*

“ Papow you are gone. It's hard to comprehend. The one thing that brings me comfort is knowing that you are in a much better place. No more pain. No more memories of what once was. Instead you are in your memories. You are with Mamaw now. I know that yall are sitting on Heaven's river bank enjoying the view. I can see Uncle Paul there with yall throwing out his rod and reel, not really caring if he's catching something or not. I miss Mamaw and Uncle Paul so much. I am so jealous that you are now with them. I know I will see yall once again so hold a seat for me!
