“ *We lived on Halsey two houses down from Mrs. Elsie for 10 years. She was always working in her yard and we would stop and talk while I was walking. She especially loved when I had my boys with me. We would trick or treat at her house and she always complimented the boys on their costumes and their manners. I am praying for all of her family. She was a very special person who showed Christ's love to everyone.*

“ *Such a sweet lady! I remember her from when my parents ran the Coffee Shop in town. I got to go to NY and Washington, DC and she loaned me a much nicer camera to take with me than what I had at the time. She was a lovely person.*
