“ My prayers go out to the family. I had the privilege to work with Mrs. Briggs when she was at Briarcliff and at Panola. She would always say she was happy to see me and always giving me candy , I remember her telling me that the Almond Joy was her favorite and I would say that they are mine too and she would grin. I will miss her dearly. Randell my condolences.

“ Mama was beautiful and she gave her children a solid foundation of faith. She loved Jesus. She loved her grandchildren and great children. She leaves a void in my life that only my hope of seeing her again can fill. I cherish all the wonderful memories I had with you. I love and miss you. Gayle
