“ Words will never describe how much my Mema meant to me or the influence she had in my life. I am so blessed to have her as my Matriarch. This trip on a Disney cruise with her was one of our best memories that I am blessed to keep with me forever.

“ I never got to be around Flora Dee very much except at the Hightower reunion each year. I loved her all the same. I never heard one person have anything but good to say about her. Since the advent of social media, I've come to know her and her family better over the last few years, celebrating joys and yes, sorrows of their family. I am so sad for all of them. I know how it feels to lose a Godly Mother who shaped you into what you are today. I know she will be so missed and I know she hated to leave Roy and all of you. I also know she is having a wonderful reunion with Uncle Bill, Aunt Naomi and all those sweet and funny sisters, her children and so many others of our big old family. I love you all, especially Jean and Frank who I feel I know best. I'm praying for comfort for all and am so sorry for your loss. Kay Weidner, 1st cousin.

“ *Aunt Dee was a kind and caring lady. Anytime you saw her She had a smile on her face. Her faith in God was an example of how Jesus wants us to be. God bless her family.*

“ *One of the strongest sweetest women I will ever know. She showed such faith and resolve during difficult circumstances and times of loss. Aunt Dee was like a second mama to so many and will forever hold a place in my heart. Love you all so very much.*
