“ You’ll be greatly missed Tator. I’m glad your not hurting anymore. We had many good times I’ll cherish. We certainly killed our fair share of deer while hunting together. Tell Uncle Curley howdy for me. Love ya Tator.

“ RIP Floyd. You will not endure anymore pain. You were a great man. I’m glad of the times I had staying with you in New Mexico. Glad I had the opportunity a couple months ago to see and talk to you. Now you can join Grandma Bobbie. Prayers.
