“ *She drove me back and forth from E. Texas to Austin during my teenage years of strife, she helped my grandpa search for my Mom and her sister, she was a fantastic wife, and an awesome mother. I remember her falling asleep at a light on one of our trip. Lord help us! lol She blessed all of us with her love. Thanks Grandma Francieal, I should have told you how much you meant to me while you were still here. RIP*
