“ Bobby,
I'm so very sorry for the loss of your mother. I know she was a wonderful mother and a very hard worker who did whatever it took to take care of her family. That alone deserved her the utmost respect of anyone who knew her. She was never afraid to try something new or take on a hard challenge. You inherited that from her & I hope you will always stay true to yourself. You are in my thoughts and prayers.
Sincerely & with love,
Gyn

“ There were times she would make us laugh so hard.....and times she was so hardheaded. But each thing she did, each word she said, she influenced EACH of us to be who we are today. Whether is is Bobby, who has her strength to carry out difficult tasks and stay focused. Johnny, who has one of the most tender hearts and would do anything to help somebody, whether he knew them or not. Wesley, who has the ability to adapt to whatever Life throws him. Carmonn, who is the mirror image of Momma's strength in doing things that most women wouldn't do. Me, what can I say I learned from her? I, guess, to LOVE.... In each of us, may her spirit for life, love, and laughter live on. I will SO miss you.....
