“ Gladene was a wonderful and caring young lady. She always had a smile on her face. I had a chance to speak with her briefly at the class reunion a few years ago. At that time she told me that she was getting tired of the battle with cancer. I told her to think positive that god has a special path for her. I believe god needed a special person to help at the golden pearly gate. She can finally rest in peace now. She will certainly be missed. I will keep her family in my thoughts an prayers !!!###imported-begin##Cathy Grimes###imported-end##
