“ *So sad to hear of Annette's passing. She was a great friend, classmate, and cousin to me at CHS. She was quiet but intense about everything she did. She left many friends and tons of students who will remember her with a tear.*

She was a friend in high school and a great person to be around. I remember playing basketball with her at Panola College. I was jealous of her height as we practiced together. Such an easy-going person. See you in heaven, Annette

“ Annette was more like a sister to me than an Aunt. I lived at my grandmothers with Annette. She was waiting for Joe to finish school so they could get married. Annette got her first teaching job in Jasper. She would give the students study guides for test. Most students could ..still not pass the test. She would bring the test home and get me ro grade the tests..We had alot of talks and laughs over those papers. She also drafted me to go to the Jr. Baskerball games. She coached the girls team. My job would be to keep up with the book.

I have a lot of sfories and memories growing up together. She was my big sis and i would always follow her around .
