“ There are no words that can describe how blessed I was for 33 years to have you as my grandma and great grandma to Aden for 12. You always had encouraging words and a tender touch. Your smile and laugh was so real and genuine. God blessed me with someone that had such a sweet and caring soul and Im truly thankful beyond words for that. From the time I was little I knew you were an Angel, you had my heart and in my eyes you were absolutely perfect! I know you are now dancing with the Angels in Heaven and singing with your daddy,mama, sister, brother, and JR. I miss you every second of every day. You are a true blessing and I would give anything to hug you one more time and tell you how truly thankful I am for you. I know you are watching over all of us now and I can't wait for the day I get to see you in Heaven. I love you with my whole heart forever and always.

“ It was such an honor and privilege to meet this precious, beautiful, sweet lady. Although our meeting was so brief, yet her good natured spirit, happiness, and love abounded from the sound of her laughter and the sparkle in her eyes.

Our love and prayers are with you all.
