“ *What wonderful man Mr. Kyle was! I have always had such respect for him and appreciation for the way being a part of his DHS Band enriched my life. My framed sheet music to "Grandioso" still hangs on my wall today as a reminder of a sweeter time and precious memories that mean the world to me.*

“ *I knew him as the band director, but also as Kathy and Kit's dad. He was so very nice and jolly and kind. I will always have great memories of him and time spent with the band in Deridder and bandcamp in Bunkie. I still get chills everytime I hear Grandioso and the pride I felt marching in his band. He is now with Mrs. Kyle again and will watch over everyone still. My thoughts and prayers are with Kathy, Kit and their families.*

“ I was fortunate enough to have Grady as not only the band director at DeRidder High School but as what basically constituted a private teacher as he generously worked with me in one on one lessons, something above and beyond what was required given that he had over 100 students to meld into a high performing group.

I was additionally blessed to have had an opportunity to visit him on numerous occasions a few years ago while he was at Baylor Heart Hospital in Plano TX where I lived. His memory was astoundingly precise as he recalled incidents I had forgotten about. He was always in great spirits during that time.

Grady's guidance and tutelage prepared me to take and pass an audition to be a U S Navy musician. I served as a navy band musician throughout my enlistment, was awarded a college music scholarship afterwards.

A great deal of quality life experiences I have enjoyed can be directly attributed to Mr Kyles early influence on me. I am eternally grateful.

“ It was a special day, Octobrr 23, 2013, when it was my privilege to visit the wonderful man who had been my band director at DeRidder High School (class of '68). It was an opportunity to say, "Thank you for your immense contribution to my life as a young musician" We sat for an hour or so catching up on each other's families, our musical activities, and sharing treasured memories and funny stories from DHS band days. I knew when I drove away from that visit that I wouldn't likely see him again this side of heaven, but on that day he was reminded that he loved and appreciated for the investment he made in our lives. “ Loved Ms. Johnnie and Mr. Grady! Good folks from FairPlay. Can remember them checking on my grandparents, Wadford & Hazel Holland from time to time when I was a little girl visiting from Houston. Mr. Grady has played for our home church, Allison Chapel UMC at a few revivals we had back in the good ole days! He is not resting, he is being that same faithful servant in Heaven as he was here on earth! I can't wait to get to Heaven to hear the music!
Our thoughts and prayers are with you all in the days to come.

“ Grady (CHS Class of 1945) was a year behind me ('44) in high school but I got to know him when we were in the band together. I always admired his musical talent. Our CHS "War Years" Classes enjoyed having him and the "swing" band he played in and sang for to play for our 65th reunion in 2009. I enjoy listening to their CD in my car stereo, also.

I always thought he and Johnnie Brooks made a good pair and admired the way he carried on after her untimely death. Now he can see and love her again in the Great Hereafter God has prepared for us.
