I worked with Guy for many years, Valmac and Tyson years. Guy was a guy that cheered us office ladies even though he loved to aggravate and agitate us and we all acted mad and then laughed. If he didn't make his appearance through the office every day, we would ask, "where is GUY"? " We cannot make it through the day with him not coming through and telling us hello and calling us "Old Ladies" and are ya'll going to do any work today " just to aggravate, which we knew was his way of being Guy. I have many work memories with Guy, Debbie and the girls. My sympathy to the Family and pray for comfort and peace for all of you.
