What a great person and coach he was. We call him coach Yarborough. He was always a calming voice that was always positive to us all at Elysian Fields High School. I always felt we had a special relationship and I found out that we were born a day apart, so we had similar personalities. I always think of so many times that we interacted as he had an important hand in shaping who I am today. This is terrible news to learn he has passed away. It was so nice to see him and his family and I know the tremendous love they have for him. There is no better person to represent who God wants us to be than coach Yarborough. My heart goes out to his awesome wife Mrs. Yarborough and his lovely daughters.

What an awesome video of all the many LOVES of Guy's life. Knowing him not only as a friend, but as a boss! He was always so kind, knowledgeable and no doubt a Christian man. Elizabeth and the girls were his life! Well, until the dogs and grandkids came along...He will be missed! What a great role model he was to so many, young and old!! 🙏🥰

“ Beth and family. I am so sorry for your loss, but so honored and blessed to have had the opportunity to call Guy a friend and a brother in Christ. I will never forget that sly smile. I'm pretty sure he was responsible in part for a couple of my undesirable conduct grades in junior high in Mart. I was so blessed a with the reading of Hebrews 12:1-2 at his funeral. It has always been my favorite passage in the Bible, and it will be eternally remembered as a bond to my good friend. God bless you all. Darrell Lehrmann. MHS Class of 1972

“ Heartfelt sympathies and love sent to the family.

My husband mentioned his memory of Guy was @ his home. He took pride showing off his 'manly 4-wheels, tractor and so forth. He also did a good 'fish fry'.

I recall the friendly conversations. Our d-i-l inherited those eyes of his; Shelley, his profession. But, I think his most accomplished achievement, also with his wife Elizabeth, was the successful raising of his two daughters--Mary and Shelley. May you two carry on a legacy of greatness. 💖🙏😊

“ A great man and a great friend has been called home by our Heavenly Father. He will be missed greatly on this earth by all that knew him. I am so thankful that God allowed me a friendship so deep, and so thankful that I will see him again. His impact and legacy will be everlasting.

God brought to my mind and heart 2 Timothy 4:7-8:

"I have fought the good fight, I have finished the race, I have kept the faith. Finally, there is laid up for me the crown of righteousness, which the Lord, the righteous Judge, will give to me on that Day, and not to me only, but also to all who have loved His appearing."

Wear that crown of righteousness our dear friend, as you fought the good fight, you finished and were victorious in the most important of races, and you kept the faith. Thank you God for allowing me to have a friend like Guy Yarborough, and for his precious family. We love you all.

Guy was an over achiever, and he accomplished so much in all areas of his life. His love for his girls was evident and Shelly has his beautiful eyes. Elizabeth was truly the love of his life. They were blessed to get to travel to so many countries. His love of hunting and fishing gave him many hours of joy. My heart goes out to his family, and I pray you can remember all the joyful times.
