“ Wayne was such a special man. We were friends in Carthage schools more than 60 years ago, and renewed that friendship each year at the Texas Country Music Hall of Fame celebration. The country music jam sessions he and Linda hosted at their home made the Hall of Fame weekend extra special. My wife Lonelle and I offer our sincere condolences to Wayne's large family. They have indeed lost a great and beloved family member. And Carthage has lost one of it's leading citizens. Few people will ever know the many, many acts of Wayne's that directly benefited Carthage and its citizens. Now Wayne is with the God he loved and served. I was blessed to have him as a friend.

“ Unbelievable! I swore he would live forever!  
I would like to thank Wayne and the entire Bagley family for everything they did for me. Wayne was like a father to me and his son Thomas and wife Ann Keep me where I needed to be in life as well. (It was like herding cats I tell ya!) Always providing the guidance and support in a tough world as a young adult. I remember Wayne keeping everyone at Chaparral working doing something, anything when times were slow regardless of his situation. He was a selfless man, always cared about everyone else. Always the tough guy, those of us who were lucky enough to have known him knew better. The man, the legend. I think of you often Wayne, thanking God you were a part of my life. Rest well my Brother.
