“ Wow I could write a book on the memories we have together. We were together for many years, kind of hard not to be when you lived down the street from me. I can remember sneaking in your window late at night, praying our parents didn't find out. lol Good times playing foosball in your room and making Munchie say "Hamburger" i swear he really did talk. I swear i still know every single word to every Led Zeppelin song and have always thought of you every time I hear one. Good memories too too many to share. I am thankful that we did finally reconnect and at least get to talk for a while. Sorry i didnt make the service I would have loved to have seen everyone. You were my first love and will always be in my heart... Until we meet againLove you !!!!

“ *I am Blessed to have known Heath the last couple years. I'm so sad for the loneliness and suffering he went through before his passing. He was a quiet man with a soft heart. You are in God's hands now my friend.*

And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away.

*He left us quietly,
His thoughts unknown,
But left us a memory,
We are proud to own;
So treasure him Lord,
In Your garden of rest,
For when on earth,
He was one of the best*
