“ Words cannot express the sorrow that I feel for you. No parent should ever have to lose a child. Our loving Creator knows how hard this is on you. We are told at Ezekiel 18:32 “for I do not take any delight in the death of someone dying, is the utterance of the Sovereign Lord .” As you can see, He does not like death anymore than we do. It is not his will for us to die which is why He has given us the hope of everlasting life! (Psalms 37:9-11, 29; Rev. 21:3, 4). As the God and Father of tender mercies, He wants you to find comfort in Him through prayer (2Cor 1:3).

She loved with an intensity that filled out hearts and made every day a little brighter. She loved singing with me and I always had a great time singing with her. I will miss her so very much! Love you all!!

“ I was sad to hear of the passing of your lovely daughter Heather. Having lost my own special needs daughter a few years ago, I understand the pain of your sudden loss. Please know you and your entire family are in my prayers. I know the common clichés are meant to be helpful but are often empty. I will not fill you with platitudes but please know we are thinking of you during this time and we are praying for you.

Your caring cousin,
