“ My only contact with this dear lady was once when she was a substitute teacher for my fifth grade teacher at Baker Elementary School in Carthage, Texas. I got very sick that day and she took me down to the nurse’s station. While there, I started throwing up and Mrs. Durrett took me into the restroom, washed my face and comforted me while I was so very sick. Now, many years later, I have retired from teaching and serving as a high school principal in Tennessee. I never forgot her example of kindness and compassion. Mrs. Durrett, I hope I made you proud of all my interactions with students throughout my career. Rest easy dear lady.

“ *To Tina and Andy, I have so many wonderful memories of your mom and your entire family. I remember when I was about six my mother needed surgery and I stayed with y'all for a week while she recuperated. There were so many times that we played or dug in the dirt and ran around both yards playing. Your parents were wonderful friends and your grandparents were wonderful neighbors. When my dad died your parents came to visit with Mother and It was so good to see them. And, yes, your mom was as beautiful as ever. I know you have so many happy memories, and so do I. May your blessings continue.*

“ *I was in 5th grade and Mrs. Durrett was subbing for my teacher. I became very ill and she took me down to the nurse's office. The nurse was not there and suddenly I started vomiting. Mrs. Durrett spoke calmly to me, and cleaned my face even though I vomited all over her. She took very good care of me and got me in one of the beds. I've always thought what a special lady she was to treat me so kindly even though she was a substitute teacher.*

Sending prayers to the Durrett family. Mrs. Helen was a very special lady. They let me work at the laundry one summer between my freshman and sophomore year at college. Many fond memories of the Durretts during and after college at Panola. She will be missed by many.

I loved Mrs Durrett, she was an inspiration to me. She had a way of making me feel good about myself, always encouraging me to hang in there, she would say, "Stay close to God and let Him direct your life Sweetie". What a colorful lady she was!! Welcome to your Heavenly Home Mrs. Helen....I love you.

“ What a special lady! Helen always had a smile and hug for us. She called Don ‘The Candy Man’ because he shared his candy with her at church. She will always hold a special place in our hearts. Don and Gayle Yocum
