“ Dearest Susan, was so very sorry to hear about the passing of your sweet Mother. Didn't hear about it until late this afternoon. I'm very sorry to have missed her service. I would have been there had I known. There are no words at this time, just the flooding in of precious memories and I too certainly have many fond memories of her. I can still taste the Waldorf salad and the hot water cornbread she used to makeI loved that all that stuff. She was a warm, sweet, welcoming lady and she made it her life's work to raise you. What a testament to her dedication to her family you are and I know she must have been so proud of you. Please take comfort knowing that our prayers are with you and your close knit family at this difficult time. Let me know if I can be of any assistance during this time, or any other.

Love to you and yours,
Dennis, Dorothy and Caleb Newberry

My memories of Aunt Helen carry from childhood into the present and will continue to fill my heart with love and laughter forever. Helen will be remembered by many of us for the wonderful meals she prepared, and for her quick wit and laughter. If you were lucky you were called "hon" and asked if you would like a glass of sweet. She loved to read biographies and was always a part of any conversation. She drew you in and held you captive with her trademark sense of humor, red hair, and intelligence. God blessed my life with Aunt Helen, and her wonderful family.
