“ I met Mrs. Helen years ago through her son and she was an amazing lady. I will forever have the memories of the talks and the knowledge that she and i shared.

“ Ms Helen and my late mother, Alice McBryde, were neighbors for many years at the Pool Apartments. I have countless memories of the many times I have sat and visited with Ms. Helen. She was indeed the kindest and most unselfish person I have ever been blessed to know. I am sure all who knew and loved her will miss her presence.

“ Ms Helen, I really enjoyed the long visits we had together, just you and me. These last few years. We laughed after realizing how often we thought so much alike. I am so happy you had your son and Carlton Shamberger to help take care of you thru these last few years.

I feel that Carlton's mom, who was your best friend, Mr Warner and maybe my momma among a host of others, will meet Mrs Helen at the Pearly Gates. Mrs Helen, you were very loved ❤️🙏🏻✝️

Peace & Love Forever,
