“ I am saddened to learn of Mrs. Treadwell's passing. Not many people know the she gave me my first job when I was 13 working as a summer aide at Head Start. I made enough money to buy a lawn mower.

I have often credited her with helping to instill in me my love for public service.

She was kind and caring soul whom I admired very much.

Condolences to the entire family on her passing. May God truly bless each one of you.
