But when i was in the early grade school I lived in Beckville, Tx with my uncle Roy and Sara Jane Metcalf and all my cousins including Homer Metcalf who I did not know he passed. We all grew up and time passed and i am so sorry to hear this news of Homer. God bless you Home.

“ *My first semester in college, I lived in the same apt. complex as Homer. Was flat broke and hungry. Homer gave me rides back and forth to home many many weekends. I almost dropped out of school. That first Christmas break, he asked if I wanted to make some money. Sure! So, he introduced me to hauling pulpwood. Made a couple hundred bucks and he convinced me I didn't want to do hard labor and I stayed in school.*

In a way, I owe Homer more than I can ever say, having steered my life in a different direction. I'd never have got a degree. Never worked for the Park Service. Never have gotten the adventures of a lifetime by working in Alaska, climbing mountains and dealing with grizzly bears.

Homer Ray, you're going to be sorely missed...
