“ *First I would like to say thank you all so very much for all the kind words and prayers for my family and I. Preston was ... my big brother- my oldest dearest and best friend. I think of calling him many times a day to ask his advise or tell him about something good... or bad.. he was my first phone call. I know I will see him again - it comforts me when i'm sad, to think of what he's doing right now. I will see you again one fine and glorious day Preston, I love you - r.i.p.
