“ I was the hospice nurse for his wife and instantly fell in love with both of them. Mr.Jack and I would catch up via text messages randomly throughout the year after Mrs.Beverly's passing. After a couple of unanswered text messages the past couple months I happened to look up his name and realized this sweet sweet man is with the Lord. I am truly blessed to have known such an amazing human being. But it makes my heart so happy knowing he is back with his beautiful wife. Until we meet again ❤️.
